"I am the good shepherd; I know my sheep and my sheep know me," John 10:14.

Mrs. Burns Class

Happy Easter Everyone!
We sure pray that your Easter Break was a blessed one! Bible Time this week will focus on appearances of Jesus after His resurrection. Kindergarten will have #29, sh, th, and the sight word, when. Math topics include parts of a whole, graphing and perpendicular lines. We start a unit on farming and foods this week. **Memory: I know that my redeemer lives. What comfort this sweet sentence give. 1st-2nd: He lives, He lives, who once was dead. He lives my everliving head!**

Mrs. Jackson's Class

He is risen! He is risen indeed! Alleluia! I pray you enjoyed your spring break and the celebration of our Risen Lord! Happy Easter!
We look forward to a shorter week of learning! We will wrap up our fantasy/realistic fiction book circles this week. In language arts, we review direct objects, indirect objects, and practice using quotation marks. We will write personal narratives, using dialogue with quotation marks. Students will also begin planning their book character party, which will be Friday, April 29. Students may wear their book character costume for the day. We complete lessons

110-113 in math. In social studies, we visit Santa Fe and learn about the San Miguel Mission and the Pueblo Revolt. We'll also learn about the Mexican War, the Texas Revolution, and the Alamo. In science, we investigate solar eclipses.

We look forward to our Beaver Dam adventure on Friday. Please have your child wear appropriate clothes and shoes for hiking and outdoor activities. Remember to bring lunch and a water bottle!

Mrs. Uhls Class

It's great to be back! I hope everyone had a great Easter break! This week in math, students will do lessons 101 and 102. In social studies, we will be moving on to Chapter 20, Renaissance and Reformation, and will be reading those first few lessons in our book. In science, we will study the respiratory system. As a reminder, picture day is Wednesday and our field trip is Friday!

Students of the Week

Due to our short week last week and no RR, we have two students of the week this week! Emily Kuethe is in 7th grade, and some of her favorite things are sushi, hockey, volleyball, the TV

show, "Outer Banks." Her favorite school activity is art and when she grows up she wants to be a vet and hair stylist. Her parents are her heroes because they have taught her to work hard and work towards what she wants. The Bible is her favorite book because she loves to read all about the stories that happened. An important even in her life is when her family went to Florida for her birthday. They got to ride so many rides and see cool things there. It was important to her because spending time with family is important! God bless Emily!
Eric Roe is also in 7th grade, and he enjoys buffalo wings, basketball, and The Simpsons. His favorite school activity is Eagles Nest in PE, and when he grows up he wants to be a Real Estate Agent. His mom is his hero because she is always working hard for him. A favorite memory is when he was seven and his family went to Florida. He didn't know how to swim, but he went out anyway. The waves pushed him down and thankfully back to land. God bless Eric!
