"Be kind and compassionate to one another, forgiving as Christ forgave you. Ephesians 4:32."

Mrs. Lavezzi's class

Happy October! This will be a short but full week as we start a lot of new themes with our new month. We will work on the letter E and start the number 4 along with learning about pumpkins. Our Bible story for the week will be Baby Moses in the rushes and we will take a pause to review our Second Steps skills. Don't forget to bring in your completed reading log for a prize by Wednesday.

Mrs. Burns class

Moses will be our Bible Time focus this week as we learn that problems can work for good. There will not be any spelling units because of our short week. Kindergarten will work with letter N and #5. We will be learning about common and proper nouns, Christopher Columbus and reviewing Chapter 1 for our science test on Wednesday. Math topics include fact families, using a balance, doubling, clocks and money. Memory - **The wages of sin is death, but the gift of God is eternal life in Christ Jesus.**
Romans 6

Mrs. Jackson's class

Grades 3-7 looks forward to a fun, short week. Our class will write 3 point paragraphs, expressing

their favorite things about fall in language arts. We are also writing letters to our church leaders, thanking them for all they do to support our school. Students are wrapping up their novel studies, and we look forward to moving on to mystery month next. We will complete lessons 26 and 27 in math. In social studies, we finish working on our class presentations about Christopher Columbus and other explorers. We look forward to presenting these to our class. We will finish our autumn colored pencil drawings and work on our fall-themed water color houses.

We will not have spelling or memory due to the short week.
