We look forward to another full week of learning! We continue our fantasy/realistic book circles. Students will write an adventure story. Our class will also practice identifying indirect objects in language arts. In social studies, we observe and celebrate the influence immigration had on the Midwest. Students should practice their 7 times table, Chapter 19 spelling words, and their memory for Friday. All of these can be found in their planners. We continue to follow the life of Jesus during Bible time, as we journey through the Lenten season. It's going to be a great week!
