March 28, 2022

“I am the good shepherd; I know my sheep and my sheep know me,” John 10:14.

Mrs. Lavezzi’s Class

This week preschool will learn about the letter Y and finish our review of numbers 7-9. Leading up to Easter we will be learning the story using the Resurrection Eggs, we will learn another part of the easter story with each egg that we open. We will also start an Easter theme with our craft projects and stories. Second Steps is done for a while, so we will review skills with games and stories.

Mrs. Burns Class

We are ready to get back to our regular classes along with making up a few tests for those who were absent. Our Bible Time will focus on Jesus on the cross. Spelling units resume for first and second grade. As we continue with our planet studies, we will have two experiments to work on and learn about Galileo. Kindergarten starts learning about long vowels, #27, and their address.

Mrs. Jackson’s Class

Grades 3-4-5 are happy to have achievement tests finished. We look forward to a great week. As we continue to practice the musical, our memory will be dedicated to musical songs and parts this week.

We look forward to continuing

our reading circles and enjoying our fantasy/realistic fiction novels. We will review noun jobs, pronouns types, and work on descriptive paragraphs in language arts. In social studies, we wrap up our study on the Midwest. We look forward to another visit from the CAREE/Ag teacher on Thursday as we explore the many products made from corn, wheat, soybeans, and other commodities. In science, we review how simple machines work together. We will take our science test on Friday. We complete lessons 99-103 in math. In spelling, we complete unit 21 with our test on Friday. We continue working on our castles in art class. Our class continues to journey through the life of Jesus this Lenten Season.

Mrs. Uhls Class

I am so happy to be back with the students, and I am so proud of them for their hard work on the state tests!

This week in math, the students will complete lessons 91-95.

In science, we'll continue studying systems of the human body. We'll cover the muscular and integumentary systems next. Students did a fantastic job on their Ancient Rome test! This week, they'll finish their Ancient Roman

Forum store plans, and begin studying Medieval Europe, including the early Middle Ages and feudalism.

The students will also have a special lesson on seed starting from Mrs. Larson and will get to grow seeds that will be added to the church's garden! We're so excited about this!

Student of the Week

Molly Butler is in 6th grade, and some of her favorites are salt water taffy, volleyball, math, the song, “Friends,” and the TV show, “Family Guy.” Her hero is Sally Ride who was the first female astronaut. The best book she’s ever read is Just Roll With It. A favorite memory is when her family had a huge family party on the 4th of July at her Grandma’s house. Everyone went to the lake and watched fireworks. When she grows up she wants to be an astronaut. God bless Molly!

PreK-2 Snacks

Monday-Burns, Tuesday-Burford, Wednesday-Battuello, Thursday-Cahn, Friday-Bilyeu, and next Monday-DeVries.

Thanks!

We sure appreciate the two families who came out to help with

on Sunday! This will help to be able to use the playground more on rainy days! Thank you sooo much!

Spring Picture Day

Wednesday, April 6, will be our spring picture day. Attached are the order forms for Dinnius Photography.

Crazy Hair Day

This Friday the students are welcome to be fun & creative with their hairstyles.

Sing in Worship

Our school children will be carrying palms and singing at the 10:00 AM April 10th Palm Sunday worship service. For this service, the children will sit with you at the beginning of the service and come to the front of the church to sing. We hope to see you there!

New Website

Be sure to check out our new website! We are working on setting up the ability to make online payments for tuition. We will keep you updated on the progress! All of our Bible Classes and Worship Services are available for viewing as well. Thank you Pastor Larson!

Show Me Dough

Our delivery will be on Thursday, March 31, so look for your special deliveries to come! Thank you for your help with our Youth Group Fundraiser for our Youth Gathering in Houston, TX!

Pre-Registration Reminder

Discounted registration fees of \$130 for K-8 students are due March 31. All forms with or without payment are due back at this date. If you would like to email Mrs. Burns at mburns@madisontelco.com with your plans, we would also appreciate that.

Easter

Our PTL hosts an Easter Breakfast on Sunday, April 17, following the sunrise 6:30 AM service. The breakfast is held in our school cafeteria. The McCalla, Rondi, and Kuethe families volunteered to help with this delicious food for our congregation. We also hold an Easter Egg Hunt during the 9:00 AM Sunday School classes for anyone wanting to participate. The Easter Bunny cannot wait to come to St. Peters!

Earth Day

April 22 we will be adventuring to Beaver Dam at 11:30 AM for an afternoon in nature. Mark your calendars for any parents who want to come along!

Reading Program

Please bring your March Reading Logs back to school by Friday, April 1. New logs go home today. April will be our last ice cream month. In May, all those who participated EVERY MONTH and turned in logs will enjoy a Dairy Queen treat!

Dates:

April 1 - Crazy Hair Day
April 6 - Spring Pictures
April 10 - 10:00 AM Carry Palms and Sing, 8th Grade Confirmation
April 11-12 - No Bus
April 13-18 - Easter Break No School
April 17 - Easter Breakfast after 6:30 AM Sunrise and 9:00 Egg Hunt
April 22 - 11:30 AM Earth Day – Beaver Dam Day
