"I am the good shepherd; I know my sheep and my sheep know me," John 10:14.

Mrs. Lavezzi's Class

Happy April! This week we will finish up the alphabet with letter Z right in time for Easter break. We will also focus on themes of Spring and Easter. During Bible time we will keep going through our Resurrection Eggs as we learn the Easter story.

Mrs. Burns Class

We will be learning about that Easter morning when Jesus came alive in Bible Time this week. First and Second grade will write a narrative about that special morning. In science we will be learning about the individual planets and making posters to share our knowledge. Math topics include mixed numbers, #28, geometric shapes, graphing with a scale of 2, and right angles. **Memory - (our second verse for the song we sing on Palm Sunday) All: King David's Son now rides upon a mule of beast the lowliest. 1st-2nd: amidst the throng it bears along of all mankind the holiest.**

Mrs. Jackson's Class

Grades 3-4-5 are really enjoying practicing the musical. The closer we get to Thursday, April 28, the more we will practice. We can't wait to share this special production with you!

Students also look forward to learning activities this week! We continue our book circles in reading. In English, we review the plural form of nouns and write descriptive paragraphs. In math, we complete lessons 104-108. Our class examines the Southwest, noting it's beauty. We will learn about the Mexican War and the Alamo. In science, we begin to explore space. We start with noting how earth moves and observing star patterns. Our spelling unit is unit 22. We will finish our castle art projects this week as well.

Mrs. Uhls Class

This week in math middle school will be covering lessons 96-100. Students will take their test over lessons 91-100 next Monday. The students will study the excretory and respiratory systems in science. Mrs. Larson will teach the students about gardening this week-planning what they'd like to plant and starting some seeds! Many of the flowers they start will be planted at the church!

In social studies, we will continue studying Medieval Europe and the Middle Ages. Their test will be next week over chapter 19.

Remember it's picture day this Wednesday!

Student of the Week

Collin Trice is in sixth grade, and some of his favorites are ice cream, basketball, and volleyball. His hero is Macey because she is nice, sweet and kind. The best book he's ever read is Ready Freddy – Don't Sit On My Lunch. A favorite memory is when he got to go on vacation to Six Flags. God bless Collin!
